## COMMUNITY NEWS

As we head into the holiday season, we would like to highlight the Holiday Lighting and Decorations Guidelines from the Community Handbook. If you have any questions regarding decorations, please contact your RSO.

- **Lighting Hours:** Holiday lights may be used between 5:00 PM and 10:00 PM from Saturday, November 1st, 2025, through Saturday, January 10th, 2026.
- **General Rules:** Lighting must be removed and stored properly after the permitted period. Avoid overloading circuits or using extension cords excessively. Residents assume full liability for any damage or injury caused by decor.
- **Safety & Installation:** Lights must be off when no one is home. Use gutter clips or similar devices; nails, screws, or tacks are not permitted. Roof decor and lighting above the first-floor roofline are prohibited and must be removed immediately if installed. Do not spray canned "snow" on windows, siding, or brick facades.
