Project Updates

The alleyway repair projects on Halsey, Radford, and McGrew are officially complete, and wow, do they look great! We're excited about these fresh improvements and can't wait for everyone to enjoy the upgraded spaces.

Meanwhile, in Hokulani, roofing replacements are still underway and are about halfway complete. Progress is moving along nicely.

Big cheers for our amazing technician, Bronsyn! We've received several glowing reviews celebrating his outstanding work:

★ Cherry Palmer shared that Bronsyn was "amazing, professional, and very efficient," and another anonymous reviewer praised his excellent communication throughout the entire service visit. They highlighted how Bronsyn clearly explained the issue, took ownership to make it right, tracked down the correct parts, and returned quickly—getting the AC back up and running in under an hour.

Thank you, Bronsyn, for consistently going above and beyond!
