## COMMUNITY NEWS

### Kona Low Storm Updates

We would like to extend our sincere appreciation to our residents for their continued patience and understanding as we work alongside our vendors to address storm-related damages. We recognize that this process is not ideal, and we truly value the grace and cooperation shown by each and every resident during this time.

Repairs and reconstruction efforts are ongoing and are expected to continue through June. We remain committed to completing all work as safely and efficiently as possible and will continue to provide updates as more information becomes available. Thank you for your continued support as we move forward together.
