

COMMUNITY DIRECTOR UPDATE OCTOBER 1, 2026

COMMUNITY NEWS

Weathering the Storm Together

As we move into October, we'd like to take a moment to reflect on the challenges many of our residents experienced during the previous month's storms and power outages across the islands.

We know these events disrupted daily routines and created uncertainty for many families, and we want to sincerely thank our residents for their patience, and aloha spirit throughout those circumstances.

During the outages, our teams worked diligently alongside our installation and utility partners to stay informed, share updates when available, and support restoration efforts within our communities.

While some aspects of power restoration were outside of our direct control, we remained committed to advocating for our residents and ensuring concerns were communicated to the appropriate partners.

One of the things that makes Hawaii so special is the way our communities come together during challenging times.

We were inspired by the kindness, resilience, and neighborly support shown throughout the month, as residents checked in on one another and lent a helping hand whenever needed.

Mahalo for your continued trust and patience. Serving our residents is at the heart of what we do, and we remain committed to providing a safe, welcoming, and caring place to call home. As we head into a new month, we are grateful to have weathered these challenges together and look forward to brighter days ahead.
